ABOUT:

Philippians 3:10 AMPC says, "[For my determined purpose is] that I may know Him [that I may progressively become more deeply and intimately acquainted with Him, perceiving and recognizing and understanding the wonders of His Person more strongly and more clearly], and that I may in that same way come to know the power outflowing from His resurrection [which it exerts over believers], and that I may so share His sufferings as to be continually transformed [in spirit into His likeness even] to His death, [in the hope]..."

The 14forty Spring Retreat Theme for 2026 is: KNOWING. After a brief time away to refresh and refocus, our leader, Pastor George Pearsons returned with a relationship renewal, purposely determined to know the Lord on a deeper level. Through Pastor George sharing and teaching on his experience, we have learned and witnessed the victory that comes from this knowing. The word, "Knowing," refers to knowledge, awareness, confidence, and relationship.

This year, we believe God is inviting our students into that same journey. He wants to reveal Himself to them, not just as God, but as their loving Father, their closest Friend, and the One who calls them His own. At spring retreat, we're expecting powerful moments where teens will encounter God, gaining knowledge, increase awareness, grow in confidence, and expand their relationship with Him. Knowing these truths will help them stand victoriously in life.
