School Requirements

The School of Kingdom Equipping (SOKE) has requirements to complete the program that will be tracked. I understand that I must timely remit all required fees, attend (or makeup) all classes, and complete all the coursework required throughout the semester to graduate and advance to the next level. Although we now have everything recorded and you will be able to make up absences, in-person attendance is essential. I understand there are no tuition refunds after the second week of class whether I attended or not. If I drop within the permitted time specified I understand I am only eligible for the class tuition excluding books.

The documents and information provided throughout the registration process is complete and factually correct. For a complete list of the graduation requirements, please see your SOKE Director.

Please read and sign the "Team Commitment." This commitment serves as the standard of behaviors that we expect from the students and leadership. Now, we know that each one of us may fail at times to fully demonstrate all of the standards given, but this set of commitments serves as a guideline for all of us to strive for.

Team Commitment

The following is the set of values that the SOKE Team, which includes students, leaders, and all volunteer positions are attempting to live towards. They form the way we should be relating to God, ourselves and others.

God

- ❖ God is good all the time. He doesn't use the devil's means to get his ends.
- ❖ God has the ability to turn any situation any direction he likes. There is no issue too large for God.
- ❖ My circumstances do not determine who God is. Jesus is the perfect image of God.
- ❖ My favor with God is unconditional because it is based on the work of Jesus. I can never be unforgiven or guilty in God's eyes.

Myself

- ❖ I am a child of God, fully loved for who I am and not for what I do.
- ❖ Jesus has defeated sin in me; I am not a slave to sin.
- ❖ Jesus has redeemed me, I am no longer a sinner, I am a saint.
- ❖ Jesus tells me who I am and my identity is in him; I won't look to anything else for my identity.

Family

- ❖ My spouse comes before all other human relationships.
- ❖ My children are my legacy, and I am to invest myself in them on their behalf.

Church

- ❖ I am fully committed to my local church as God's covenant people.
- ❖ I will honor the leadership of the church, school and support unity, in spite of any differences.
- ❖ I will not participate or endorse gossip or slander in any form.

Others

- ❖ I love, respect, and honor all people, regardless of how they treat me or others.
- ❖ I will work to empower others towards their calling in Christ. I am not in competition with anyone.
- ❖ I refuse to let fear control me, whether from people or demons.
- ❖ I choose to love others unguardedly.
- ❖ I will deal with confrontation and conflicts as quickly as possible, in person and with an honoring and teachable posture.

By signing this paper, I am committing to all my fellow students and leaders of the School of Kingdom Equipping (SOKE) to uphold these values myself, as well as to encourage all other members in these values. I will commit to living these values to the best of my ability.

Holiness Lifestyle

SOKE celebrates a lifestyle of holiness. We believe that we are called to a standard of purity that reflects Christ's character on the earth. The following questions are aimed at assessing where each student is with their walk with Christ in purity. Answering "Yes" to any of these questions will not automatically remove your application. We all have pasts and the answers to these questions simply help us understand where you are with your purity walk. **All answers will be kept confidential.**

SOKE upholds standards of purity. During the school year, the SOKE Director may dismiss a student if purity standards are not met. We believe in grace, mercy and forgiveness of sins, but we also believe in a life that strives to be uncompromised and works towards Holiness.
