

# Important Sky Ranch Retreat Information

## *Medication Form for Sky Ranch Retreat*

If your student requires medication be administered by the school nurse while at the Sky Ranch Retreat, you must complete a *Parent/Physician Request for Administration of Medication* form that is attached and have your student drop off the completed form to the school nurse on Wednesday morning. Please note that this is different from the Medication Administration Consent form for Grades 7-12. Parents should put the right dosage of medication in a properly labeled bottle with the form in a ziploc bag for the school nurse to administer at Sky Ranch. If you should have any questions please don't hesitate to contact Lori Liles, PCA School Nurse, at 817-733-9447.
